

MHD-ROCKLAND AUSTRALIA & NEW ZEALAND ROTARY & FIXED-WING AIRCRAFT PARTS AND SERVICE

MHD-ROCKLAND is a premier provider of rotary wing and fixed wing aircraft components and services. Our offices in Australia and New Zealand are strategically positioned near key logistics centers. With warehouses in both regions and additional resources available from our facilities in Canada (HQ) and the United States, we ensure that our clients have access to an extensive inventory, thereby minimizing lead times and maintaining operational readiness.

Our local team of specialists, supported by strong relationships with OEMs and strategic industry partnerships, is well-prepared to provide high-quality parts and (MRO) services.
